

Freedom

There are people living in the world without freedom
Being told what to think and what to do
There are people crying out tonight for freedom
Young Lions' roars that will be heard around the world
They're on the prowl again
To be free in their homeland
Unafraid of hunter
Who has the upper hand

Freedom ... ring out
Come on ... sing out
Freedom ... fighters
Freedom's ... lions
Roar so loud that you will be heard around the world

There are people rising in the streets for freedom
Waiting for the day they will fly freedom's flag
young lions make thee stand
To be free in their homeland
Unafraid of hunter
Who has the upper hand

Freedom ... ring out
Come on ... sing out
Freedom ... fighters
Freedom's ... lions
Roar so loud that you will be heard around the world
Freedom ... ring out
Come on ... sing out
Freedom ... fighters
Freedom's ... lions
Freedom ... freedom ...
